FERTILIZER TENDER

WWW.HAULALLINDUSTRIES.COM

Haul All Industries offers FERTILIZER TENDERS in many sizes to fit your application. Using your truck's hydraulics, our standard 10" augers allow for fast unload rates to keep your applicators moving.

FEATURES:

- Choose from different sizes to fit your fertilizer applicator perfectly
- Rear discharge auger hydraulically lifts up to a height of 15' (depending on trailer height).
- Front catwalk for easy and safe viewing access • 10" discharge auger for fast unloading.
- Hydraulic selector valves allow you to operate the 2 augers independently.
- Simple crank mechanism to **open Stainless Steel gates quickly and easily** - also available with remote control.
- Standard **heavy duty, easy-to-use, roll tarp.**
